---

Dear Dr Grosset,

**R&D Ref:** GN11NE062 **Ethics Ref:** 11/AL/0163

**Investigator:** Dr Donald Grosset

**Project Title:** PRoBaND: Parkinson's Repository of Biosamples and Network Datasets: Prospective observational study of Parkinson's disease with repeat clinical assessment and biobanking of blood samples.

**Protocol Number:** V1.2; 28/10/11

**Amendment:** Non-substantial Amendment dated 15/03/12

**Sponsor:** NHS Greater Glasgow and Clyde

I am pleased to inform you that R&D have reviewed the above study's Amendment dated 15/03/12 and can confirm that Management Approval is still valid for this study.

I wish you every success with this research project.
