

PRoBaND (Tracking Parkinson's) - Relatives Contact Sheet

Please copy the information from ClinBase to the upper half of this form.

Centre Number	ID code	Date of birth

The above case has been selected to invite their siblings to the PRoBaND (Tracking Parkinson's) study.
Please see them at their next visit (or invite for an extra visit e.g. if they are young onset and have completed the study).

The patient's siblings may be willing to take part (this information comes from the patient's Family History form), as follows:

<i>Information already available from Family History form</i>				
Relation	First name	Town/City	Nearest study centre	Nearest Centre Number

Agrees to be contacted (please circle)	
Yes	No

If yes, please complete below

<i>Information to add if person agrees to be contacted</i>				
Title	Surname	Date of birth	Telephone Number	Copied to ClinBase
				YES/NO

Please copy the information from the lower half of this form to ClinBase *including the outcome for cases that have not agreed to take part*

- Go to Data Centre, then choose option 6. Go to relative sheets, then select ID and option 1. Go to – PD case: Relative Contact Sheet

Please see Guide notes for more detail about the process - "PRoBaND (Tracking Parkinson's) -Guide notes for involving relatives in the study "
