Dear Prof Donald Grosset & Chrissy,

<b>Study Title:</b>	PRoBaND: Parkinson's Repository of Biosamples and Network Datasets: Prospective observational study of Parkinson's disease with repeat clinical assessment and biobanking of blood samples
<b>EudraCT:</b>	N/A
<b>Sponsor:</b>	NHA GG&C
<b>Sponsor R&amp;D ref:</b>	GN11NE062
<b>Chief Investigator:</b>	Prof Donald Grosset
<b>Amendment number</b>	NSA17 – 11.04.2022 – No cost extension/Addition to the study team/Change of sponsor contact/Change of employment of CI

Thank you for submitting the above amendment to the NHS GG&C R&D office.

This amendment has been reviewed on behalf of Sponsor and I can confirm that it is **non-substantial** and does not require to be submitted to the REC. However, I would recommend that the REC is notified of this amendment and that details regarding this amendment are included in the next substantial amendment to the REC.

Please find attached your locked amendment tool for submission. You should now submit the amendment and associated documents through the IRAS Identity Gateway.

**Please note, even though this amendment has been categorised as C, you will require ongoing R&I management approval for this amendment due to the addition to the study team.**

Kind regards,

Brittany Graham
